## SCIENTIFIC POSITIONS

**Postdoctoral Research Fellow.** In progress.  
Department of Demography, University of Vienna.

## EDUCATION

**Ph.D. in Demography**, The Australian National University. 2022.  
Dissertation Title: Assisted reproduction, late fertility, and childlessness in Australia. Primary supervisor: Edith Gray

**M.Sc. Economics and Social Sciences**, Bocconi University. 2017.

**B.Sc. Economics and Social Sciences**, Bocconi University. 2015.

## PUBLICATIONS

[12] **E Lazzari**, A Reimondos, and E Gray. Did the COVID-19 pandemic affect childbearing desires in Australia? Understanding why people changed their attitudes towards having a first or additional child. (2023). *Population and Development Review*

[11] **E Lazzari**, M Potancokova, T Sobotka, E Gray, and G Chambers. (2023). Projecting the Contribution of Assisted Reproductive Technology to Completed Cohort Fertility. *Population Research and Policy Review*

[10] T Shen, **E Lazzari**, & V. Canudas-Romo. (Forthcoming). The Contribution of Survival to Changes in Net Reproduction Rate. *Population Studies*

[9] S Choi, **E Lazzari**, C Venetis, and GM Chambers. (2023). [Can medically assisted reproduction be used as a tool to reverse declining fertility rates? A population cohort study.](#) *The Lancet Regional Health - Western Pacific*

[8] **E Lazzari**, B Baffour & GM Chambers. (2022). [Residential proximity to a fertility clinic is independently associated with likelihood of ART and IUI treatment.](#) *Human Reproduction* 37(11): 262-2671.

[7] **E Lazzari**, E Gray & B Baffour. (2022). [A Dyadic Approach to the Study of Infertility and Contraceptive Use.](#) *Demographic Research* 47 (1): 1-36.

[6] R Mogi, **E Lazzari**, J Nisén & V Canudas-Romo. (2022). [Cross-sectional average length of life by parity: International comparisons.](#) *Population Studies*.

[5] **E Lazzari**, E Gray & GM Chambers. (2021). [The Contribution of Assisted Reproductive Technology to Fertility Rates and Parity Transition: An Analysis of Australian Data.](#) *Demographic Research* 45 (9): 1081-1096.

[4] **E Lazzari**. (2021). [Changing Trends Between Education, Childlessness and Completed Fertility: a Cohort Analysis of Australian Women Born in 1952-1971.](#) *Journal of Population Research* 38: 417-441.

[3] **E Lazzari.** (2021). [Pathways into Childbearing Delay of Men and Women in Australia.](#) *Longitudinal and Life Course Studies* 13(2):307-334.

[2] **E Lazzari,** R Mogi and V Canudas-Romo. (2021). [Educational Composition and Parity Contribution to Completed Cohort Fertility Decline in Low Fertility Settings.](#) *Population Studies* 75(2): 153-167.

[1] **E Lazzari.** (2019). [Socio-economic Changes in the Age Patterns of Childbearing in Australia.](#) *Australian Population Studies* 3 (2): 34-36.

OTHER WRITING  
FOR A POPULAR  
AUDIENCE

**E Lazzari,** R Mogi, and V Canudas-Romo. (2022). [Educational expansion and completed family size in low fertility countries.](#) N-IUSSP.

**E Lazzari,** E Gray, and GM Chambers. (2022). [The Contribution of Assisted Reproduction in the Context of Delayed Childbearing.](#) N-IUSSP.

E Gray, A Reimondos, **E Lazzari,** R Breunig, R Steinhauser, J Zhang, N Biddle, and M Gray. (2022). [Impacts of Government Policies on the Fertility Rate.](#) The Australian Government, Canberra.

CONFERENCE  
PRESENTATIONS

**E Lazzari,** MC Compans, and É Beaujouan. (2022). “Changing childbearing age norms in Europe in times of fertility postponement”. *2023 Australian Population Conference* (Canberra).

**E Lazzari,** A Raimondos, and E Gray. (2022). “Childbearing desires before and after the COVID-19 outbreak in Australia: who changed their attitudes toward having a first or additional child?”. *2023 Australian Population Conference* (Canberra).

**E Lazzari,** MC Compans, and É Beaujouan. (2022). “Changing childbearing age norms in Europe in times of fertility postponement”. *2022 British Society for Population Studies Conference* (Winchester).

**E Lazzari,** M Potancokova, T Sobotka, E Gray, and G Chambers. (2022). “Projecting the Contribution of Assisted Reproductive Technology to Completed Cohort Fertility”. *2022 European Population Conference* (Groningen).

**E Lazzari,** B Baffour and GM Chambers. (2022). “Socioeconomic and spatial disparities in access to medically assisted reproductive treatment”. *2022 Population Association of America Annual Meeting* (Atlanta).

**E Lazzari.** (2021). “Projecting the Contribution of Assisted Reproductive Technology to Completed Cohort Fertility”. *International Population Conference 2021* (virtual conference).

**E Lazzari** and Edith Gray. (2021). A Dyadic Approach to the Study of Infertility and Contraceptive Use”. *HILDA survey User Virtual Colloquium: Celebrating 21 years* (virtual conference).

**E Lazzari**, Edith Gray and Georgina Chambers. (2021). “The Contribution of Assisted Reproduction to Total Fertility Rates and Birth Timing: an analysis of Australian data”. *2021 Population Association of America Annual Meeting* (virtual conference).

**E Lazzari**. (2021). “Pathways into childbearing delay of men and women in Australia”. *2021 Population Association of America Annual Meeting* (virtual conference)

**E Lazzari**. (2020). “An Assessment of the Contribution of Assisted Reproductive Technologies to Total Fertility Rates in Australia”. *Australian Population 20th Biennial Conference* (virtual conference)

INVITED TALKS 2022. “Health perceptions and childbearing expectations of childless men and women across the life course”. University of Texas at Austin, United States.

2021. “A dyadic approach to the study of infertility and contraceptive use”. Federal Institute of Population Research (BiB), Wiesbaden, Germany (virtual presentation)

HONORS, AWARDS & 2022. Editors’ choice collection. *Longitudinal and Life Course Studies*.

FELLOWSHIPS 2022. Charles Price Prize in Demography (PhD Prize). *The Australian National University*, Canberra, Australia. (AUD 1,500).

2021. Young Scientists Summer Program, *International Institute for Applied Systems Analysis*, Laxenburg, Austria. (EUR 1,000).

2019-2022. Higher Degree Research Fee Merit Scholarship (AUD 150,000)

2019-2022. University Research Scholarship (AUD 85,000)

TEACHING EXPERIENCE **Lecturer**. University of Vienna.  
2023. Population history: The long run  
2022. Introduction to scientific working

**Teaching assistant**. The Australian National University.  
2020-2021. Population analysis

PROFESSIONAL SERVICE **Session organiser**.  
Infertility and Assisted Reproductive Technologies. 2023. PAA. New Orleans.

Perceived Subfecundity and Fertility Knowledge. 2023. PAA. New Orleans.

**Session chair**.  
Infertility and Assisted Reproductive Technologies. 2023. PAA. New Orleans.

Perceived Subfecundity and Fertility Knowledge. 2023. PAA. New Orleans.

Low fertility and childlessness. 2022. PAA. Atlanta.

Family demography. 2022. APC. Canberra.

**Discussant**

Population Politics, Population Policies, and Fertility. 2023. PAA. New Orleans.

**Managing Editor.** Australian Population Studies. In progress.

**Reviewer.** Australian Population Studies, Journal of Population Research, Longitudinal and Life Course Studies, Population Research and Policy Review, Population Studies, Population and Development Review, Reproductive Biomedicine Online.

**Professional memberships.** Population Association of America, European Association for Population Studies, International Union for the Scientific Study of Population.
