CONFERENCE
PRESENTATIONS

E Lazzari, MC Compans, and É Beaujouan. (2022). “Changing childbearing age norms in Europe in times of fertility postponement”. *2023 Australian Population Conference* (Canberra).

E Lazzari, A Raimondos, and E Gray. (2022). “Childbearing desires before and after the COVID-19 outbreak in Australia: who changed their attitudes toward having a first or additional child?”. *2023 Australian Population Conference* (Canberra).

E Lazzari, MC Compans, and É Beaujouan. (2022). “Changing childbearing age norms in Europe in times of fertility postponement”. *2022 British Society for Population Studies Conference* (Winchester).

E Lazzari, M Potancokova, T Sobotka, E Gray, and G Chambers. (2022). “Projecting the Contribution of Assisted Reproductive Technology to Completed Cohort Fertility”. *2022 European Population Conference* (Groningen).

E Lazzari, B Baffour and GM Chambers. (2022). “Socioeconomic and spatial disparities in access to medically assisted reproductive treatment”. *2022 Population Association of America Annual Meeting* (Atlanta).

E Lazzari. (2021). “Projecting the Contribution of Assisted Reproductive Technology to Completed Cohort Fertility”. *International Population Conference 2021* (virtual conference).

E Lazzari and Edith Gray. (2021). A Dyadic Approach to the Study of Infertility and Contraceptive Use”. *HILDA survey User Virtual Colloquium: Celebrating 21 years* (virtual conference).

E Lazzari, Edith Gray and Georgina Chambers. (2021). “The Contribution of Assisted Reproduction to Total Fertility Rates and Birth Timing: an analysis of Australian data”. *2021 Population Association of America Annual Meeting* (virtual conference).

E Lazzari. (2021). “Pathways into childbearing delay of men and women in Australia”. *2021 Population Association of America Annual Meeting* (virtual conference)

E Lazzari. (2020). “An Assessment of the Contribution of Assisted Reproductive Technologies to Total Fertility Rates in Australia”. *Australian Population 20th Biennial Conference* (virtual conference)

INVITED TALKS 2022. “Health perceptions and childbearing expectations of childless men and women across the life course”. University of Texas at Austin, United States.

2021. “A dyadic approach to the study of infertility and contraceptive use”. Federal Institute of Population Research (BiB), Wiesbaden, Germany (virtual presentation)

HONORS, AWARDS & FELLOWSHIPS 2022. Editors’ choice collection. *Longitudinal and Life Course Studies*.
2022. Charles Price Prize in Demography (PhD Prize). *The Australian National University*, Canberra, Australia. (AUD 1,500).
2021. Young Scientists Summer Program, *International Institute for Applied Systems Analysis*, Laxenburg, Austria. (EUR 1,000).

2019-2022. Higher Degree Research Fee Merit Scholarship (AUD 150,000)

2019-2022. University Research Scholarship (AUD 85,000)

TEACHING EXPERIENCE **Lecturer**. University of Vienna.
2023. Population history: The long run
2022. Introduction to scientific working
Teaching assistant. The Australian National University.
2020-2021. Population analysis

PROFESSIONAL SERVICE **Session organiser**.
“Infertility and Assisted Reproduction”. 2023. Population Association of America. New Orleans.
Session chair.
“Low fertility and childlessness”. 2022. Population Association of America. Atlanta.
“Family demography”. 2022. Australian Population Conference. Canberra.
Managing Editor. Australian Population Studies. In progress.

Reviewer. Australian Population Studies, Journal of Population Research, Longitudinal and Life Course Studies, Population Research and Policy Review, Population Studies, Population and Development Review, Reproductive Biomedicine Online.

Professional memberships. Population Association of America, European Association for Population Studies, International Union for the Scientific Study of Population.
